### SERVICE LIST TO EXCHANGE EXHIBITS AND TESTIMONY FOR THE CACHUMA PROJECT HEARING – APPLICATIONS 11331 AND 11332

The persons identified on the enclosed mailing list submitted Notices of Intent to Appear (NOI) and present witnesses. These entities comprise the service list of parties to exchange testimony and exhibits. This session is limited to the Key Issues for Phase I of the hearing, as identified in the Hearing Notice. A supplemental hearing notice will be issued prior to the commencement of Phase II of the hearing, and the supplemental notice will list all submittal requirements for the second session of the hearing.

Mr. Ernest Conant requested that we add two additional persons to the Santa Ynez hearing mailing list. Part 3 of Enclosure 1 of the Hearing Notice provides that the State Water Resources Control Board will mail to each participant who has submitted an NOI a service list of participants. Therefore, only the designated contact person is identified on the service list. Distribution of hearing materials to the witnesses that each participant intends to have testify at the hearing is the responsibility of the contact person listed on the NOI.

If you require further assistance regarding procedural matters, you may contact me at (916) 657-1951, or Mr. Dana Differding at (916) 657-2086.

Sincerely,
